## KINDNESS SHOWN TO CRISIS CENTER:

Resort2Kindness, a year-old Englewood-based nonprofit dedicated to “random acts of kindness,” donated \$11,820 in goods gathered from individuals and businesses to the Family Crisis Center, operated by Denver’s Department of Human Services.

Resort2kindness ([resort2kindness.com](http://resort2kindness.com)) was founded by Elva Pellouchoud of Epiphany; its projects are backed by resort and community developers.
